

Bundled Packages. Big Savings.

from Benefit Solutions

Our multi-product bundles offer new ways for you to help your clients meet their benefits challenges.

■ Savings

Price adjustments are available when multiple products are offered in one enrollment, helping employers offset rising benefits costs.

■ Service

Bundling multiple products into one package simplifies communication, education, enrollment and implementation.

■ Choice

With a portfolio of nearly two dozen products, including core, voluntary and worksite plans, we can help employers create a benefits offering that helps them attract, retain and protect their employees.

Your client has specific needs—
customize a bundle to meet them.
